Starting at the Odeon cinema facing the water, turn right and walk along the waterfront passing the Marriott Hotel and the Barge Restaurant. When you reach the sea cadets building, turn left onto the bridge. Proceed over the bridge and look to your left for a view across the Brayford Pool towards the city centre. Bear left at the roundabout, passing St Marks shopping park on your right. Keeping to the left, cross the footbridge opposite the new student accommodation and turn left into Brayford Wharf East, passing the Lincolnshire Echo offices on your right and the University of Lincoln on your left. The path brings you to a junction, turn left and walk over the bridge. On your immediate left is a set of steps that lead to the Royal William pub and back to the Odeon cinema.
