

## walk six canwick village walk

From the Bowling Alley car park on Washingborough Road, walk along the path towards Canwick Hill past the Cemetery. Walk to the end of the road and find a safe place to cross to the garage on the corner. Start to walk up Canwick Hill. Turn left into Hall Drive - use the pedestrian footpath here. Look to your left for views of the Cathedral and City. Just beyond Hall Drive on your left is a downward sloping path (signposted 'public byway') that leads onto Canwick Park Golf Course. Walk straight ahead through a small group of houses back onto Washingborough Road. Take extra care here as there will be golfers around who may not be aware of your presence. Cross over and turn right back to the Bowling Alley.
