

walk four sincil bank stroll

Starting at the football stadium on Sincil Bank, walk alongside the bank towards the Cathedral. Portland Street is very busy. Cross over carefully and continue ahead towards the cycle and footpath. Turn left into Tentercroft Street, this brings you out onto the High Street. From here you can turn right to go to the city centre or turn left to go back to the football stadium. As the High Street is very busy, cross the side streets on your left with caution. When you get to Sewells Walk turn left again. Proceed to the end which leads you back to the football stadium.
