

## Householder Planning Application Validation List

The following documents will be required to validate householder planning applications.

Category 1 – National Validation Requirements	
The following documents are required through national legislation; or national planning policy	
Document	Notes
Completed application form	Applications should be made on the standard national form.
Ownership Certificate and Agricultural Land Declaration	Forms part of the planning application form
Community Infrastructure Levy (CIL) Form	All planning applications which include CIL liable development must complete: Form 1: CIL Additional Information Form  See <a href="https://www.planningportal.co.uk/planning/policy-and-legislation/CIL/download-the-forms">https://www.planningportal.co.uk/planning/policy-and-legislation/CIL/download-the-forms</a>  For further guidance on CIL in Central Lincolnshire, please see: <a href="https://www.n-kesteven.gov.uk/central-lincolnshire/adopted-local-plan-2023/community-infrastructure-levy">https://www.n-kesteven.gov.uk/central-lincolnshire/adopted-local-plan-2023/community-infrastructure-levy</a>
Correct Planning Fee	See current fees at: <a href="https://ecab.planningportal.co.uk/uploads/english_application_fees.pdf">https://ecab.planningportal.co.uk/uploads/english_application_fees.pdf</a>
Biodiversity Net Gain mandatory requirements	Where applicants consider that the development would not be subject to the general biodiversity gain condition, a statement to set out what exemption(s) or transitional provision(s) apply to the development.  Forms part of the planning application form
Design and Access Statement <sup>1</sup>	Required for applications for development in a conservation area, where the proposed development consists of a building or buildings with a floor space of 100 square metres or more.
Site Location Plan <sup>2</sup>	1:1250 or 1:2500 scale

<sup>1</sup> For further guidance, see <https://www.gov.uk/guidance/making-an-application#Design-and-Access-Statement>

<sup>2</sup> All plans or drawings must be drawn to the identified scale, and in the case of plans, must show the direction of north. A linear scale bar must also be illustrated, and plans must also clearly annotate key dimensions including as a minimum building/structure external length, width and height (eaves and ridge) and the externally measured separation distance/s between those building/s and structure/s closest to the application site boundary and the site boundary itself. All measurements must be in metres. A location plan must be based on an up-to-date map and must identify sufficient roads and/or buildings on land adjoining the application site to ensure that the exact location of the application site is clear. The application site should be edged clearly with a red line on the location plan. It should include all land necessary to carry out the proposed development (e.g. land required for access to the site from a public highway, visibility splays, landscaping, car parking and open areas around buildings). A blue line should be drawn around any other land owned by the applicant, close to or adjoining the application site.

## Category 2 – Local Validation Requirements

Any other report/survey from the Central Lincolnshire 'full' validation checklist relevant to the scale, nature and location of development.

## Category 3 – Other Requirements

The following documents may be required dependent upon the nature of the development

Document	Notes
Existing and Proposed Block Plan <sup>2</sup>	1:200 or 1:500 scale
Existing and Proposed Elevations <sup>2</sup>	1:50 or 1:100 scale
Existing and Proposed Floor Plan <sup>2</sup>	1:50 or 1:100 scale
Heritage Statement <sup>3</sup>	<p>In determining applications, local planning authorities should require an applicant to describe the significance of any heritage assets affected, including any contribution made by their setting.</p> <p>The level of detail should be proportionate to the assets' importance and no more than is sufficient to understand the potential impact of the proposal on their significance.</p> <p>As a minimum the relevant historic environment record should have been consulted and the heritage assets assessed using appropriate expertise where necessary.</p> <p>Where a site on which development is proposed includes, or has the potential to include, heritage assets with archaeological interest, local planning authorities should require developers to submit an appropriate desk-based assessment and, where necessary, a field evaluation.</p> <p>A Heritage Asset is defined as "A building, monument, site, place, area or landscape identified as having a degree of significance meriting consideration in planning decisions, because of its heritage interest. It includes designated heritage assets and assets identified by the local planning authority (including local listing)."</p>

<sup>3</sup> As required by paragraph 200 of the [National Planning Policy Framework](#) (December 2023)
