Grave space and cremation plot purchase information

Purchase of a grave space or cremation plot is sold on a 50 year lease. By purchasing and signing the Burial Purchase form you will be given the 'right' to open the grave for burial and the 'right' to place a memorial.

The ground itself remains the property of the City of Lincoln Council.

All new grave spaces and cremation plots are 'lawn' plots and we do not allow any railings, kerbs, fencing, loose chippings, stones or wood chippings etc. We also do not allow any other items such as glass vases, jars, ornaments, memorabilia or plants/flowers to be left in front of the concrete plinth on the grass. The lawn area should be kept clear at all times to allow access and maintenance. Any unpermitted items or memorabilia will be removed.

Christmas wreaths will be removed at the beginning of February.
