Benefit is usually paid on a regular fortnightly payment cycle in arrears for most claimants. The payment cycle that applies to you is stated on the benefit decision notice. Payments are generated by us up to five days before they are received by you. Tell us promptly, if something has changed (First payments and lump sum back-payments might be paid at other times outside the normal cycle.)

To assist you to budget please see calendar showing when the regular fortnightly payments are expected to arrive in most bank and building society accounts. Please be aware that sometimes your Housing Benefit payments might be suspended, cancelled or cannot be made for unforeseen technical reasons. We always try to let you know if this happens. Fortnightly payments are normally from the period ending the previous Sunday.
